KENYA AIRWAYS IMPLEMENTS CASHLESS SYSTEM AT KISUMU AND MOMBASA AIRPORT

30th May, 2022 — Kenya’s national carrier, Kenya Airways (KQ) has announced that it will implement a exclusively cashless system effective 1st June 2022 at the Moi International Airport (Mombasa) and the Kisumu International Airport. The implementation of a cashless system helps to support the customer shift and preference to cashless transaction and will ease cash collection and reconciliation issues at the airports ensuring efficient services to customers.

Payments will now only be accepted through debit or credit cards and other online payment apps. Guests can choose from alternative payment options, including Credit/Debit cards (Visa, MasterCard, AMEX, Union Pay) or M-pesa.

About Kenya Airways:

Kenya Airways, a member of the Sky Team Alliance, is a leading African airline flying to 42 destinations worldwide, 35 of which are in Africa and carries over four million passengers annually. It continues to modernize its fleet with its 32 aircraft being some of the youngest in Africa. This includes its flagship B787 Dreamliner aircraft. The on-board service is renowned and the lie-flat business class seat on the wide-body aircraft is consistently voted among the world’s top 10. Kenya Airways takes pride in being at the forefront of connecting Africa to the World and the World to Africa through its hub at the new ultra-modern Terminal 1A at the Jomo Kenyatta International Airport in Nairobi.
